

BURLINGTON CURLING CLUB
Little Rocks 9yrs to 12yrs old

Our Little Rocks curl on Tuesdays from 5:15pm to 7:00pm. Curling usually starts in early October and runs until the last week of March. Equipment is simple and you need to provide a pair of rubber soled shoes to be worn for curling only. You will be required to purchase two grippers for use on the ice (\$20.00). We provide the broom. We require that you wear a protective helmet. We run two series for each section, with a final pizza and prize night before Christmas and then again in the Spring. We host an Invitational Bonspiel in late November.

For new curlers, there is an instruction clinic held in the early fall and there is constant coaching provided while the curlers are on-ice.

The section is run by dedicated volunteers and there are a number of areas available for parents to participate.

The cost to join is \$153.60 – Due Oct 1st.
